SKILCRAFT® LED T8 Tube Light

- 60,000 hour life is 5 times longer than fluorescent T8 lights
- 1000 lumen minimum light output; 4100K color temperature
- Universal bulb offers simple plug-and-play installation – no rewiring required.
- Multi voltage (120/220/277)
- Works after the ballast fails – by snipping the wires and connecting to 120v
- Shatterproof, impact resistant, mercury-free; suitable for damp locations; smooth diffusion of light
- 10 year warranty
