

**Now on the GSA procurement list:**

**New, *Biobased Chair Mats* made from sustainable, plant-based polymers that perform like traditional, petroleum based mats!**

Tough and durable, these crystal-clear mats protect all flooring types and meet the requirements of **Executive Order 13693: Planning for Federal Sustainability.**

Available in a wide variety of sizes and profiles, each mat is backed by **a lifetime performance guarantee** against cracking.

Our specially designed cleat system holds securely, yet has no sharp points, protecting carpet and fingers!

Best of all, these mats are produced with special care and attention by people with significant disabilities as part of the **AbilityOne program.**

Your purchase directly supports opportunities for their employment, advancement, and enrichment.
